MEMORANDUM FOR: Intelligence Officer, [redacted]

SUBJECT : Preparation of Badges with Minerals 8 and 9

1. From my conversation with you last week, I understand that badges for Mr. Bissell, Colonel Gibbs, [redacted] and myself are being prepared with the minerals 8 and 9 on them. I would appreciate your having these badges made with both minerals on at the same time, rather than having one badge made and returning for a second badge at a later date.

2. I appreciate your attention to this matter in sufficient time for the issuance of these badges as indicated.
